

# **Add Sailing and Kayaking to your event at Rocky Point Park**

While renting the large pavilion at Rocky Point Park, Baltimore County Sailing Center can provide you and your guests with kayaking and sailing lessons. The standard package is three hours of instruction and includes three kayaks and one sailboat. The cost of this package is \$500. We can also tailor our program to suit your needs. The sailboat will be manned by a U.S. Sailing certified instructor and up to three guests at a time can sail. Guests will sail and kayak within the safe confines of Hawk Cove (Hawk Cove is directly in front of the pavilion so parents and friends can easily watch the fun). You decide the amount of time each guest will be out on the water and this can vary from as little as twenty minutes to as much three hours. We will provide all necessary safety equipment, including life vests. All you need to bring is your party!
